

I loved you already

Written by
Chris Regez

1. E Cism
I saw you walking by a thousand times
E Cism
It must have been love at first sight
A H7
The way you move, the way you shine
E Cism H7
I started to dream of you every night but then

2. I never talked to you or dropped a line
Afraid you you'd ignore a guy like me
Then I no longer wanted to hide behind
And I opened my heart like one, two, three but then

Ch. E Cism
I loved you already, long before I let you know.
E Cism
I loved you already, but was afraid to show.
A H7 E Cism
My heart loved you long ago – before I let you know
A H7 E Cism E Cism
But finally I had the courage to let you know

Br. A H7 E Cism
How could I ever go on not telling you
A H7 E
About my feelings down deep inside
