

We fit like a glove

Written by

Chris Regez, George Ducas /

1. E
I like stormy weather you like sunny days
A E
You got yourself together I'm a little out of place
E A
I'm only a simple man and we both understand
E H7 E
That when it comes to love we fit like a glove

2. You tend to the fast lane and I take the country roads
I go against the grain and you go with the flow
Sometimes we don't agree but it's plain to see
That when it comes to love we fit like a glove

Ch. A E
We fit like a glove we go hand in hand
A A
You're my left handed woman
E H7
I'm your right handed man
A A
You're my silver and gold
E Cism Cism
I'm your diamond in the rough
E E
But when it comes to love
H E
We fit like a glove

3. They say opposites attract I guess it must be true
It's a natural fact and we're no exception to the rule
What good is the right shoe without the left one too
What would I do without you honey I don't have a clue
