

Drinkin' Never Hurt

Written by
Chris Regez

1. Her leavin' took you off of the ground
I can understand why you're a desperate guy
Here's my shoulder to lean on
If you're here to hear my advice I have to say

Ch. You can beat your head on a wall
You can run for miles till your breath is gone
Don't be ashamed if you go drinkin'
Cause I know – Drinkin' too much
Never hurt to heal a broken heart

Solo: G G Am Am C D G)
G G Am Am C D G F C G

2. Even if she left there comes a new sunrise
No matter how much you want her back
My old man used to say
If a woman wants to go let her go

Outro: G G Am Am C D G F C G
