In the cloud in the cloud
D E A
That's where your memories have to go
 A E
In the cloud in the cloud
D E A
That's where your memories have to go

1. A D
Your memory still keeps me up at night
 E A
What you've done to me just ain't right

Your memory still keeps me up at night
 E A
What you've done to me just ain't right

2. You tried to fool me once or twice
Hopin' I won't realize
You tried to fool me once or twice
Hopin' I won't realize

3. Now I feel a cold chill blowin'
I don't care just where you're goin'
Now I feel a cold chill blowin'
I don't care just where you're goin'
